

Weekly Report KARIMI-2021-10-22

My work this week has mainly been towards

1. Compressed EBM
2. AISTATS Supplemental

1 Compressed EBM

Focus on running experiments for this project. Talked to Jianwen several times to narrow down the project.

2 AISTATS Submission

Focus on running experiments for:

- FedLamb: Runs on FMNIST and improvements of the text for the supplementary deadline.
